

Nursery school MOTÝL - Butterfly

Operator: Biology Centre of the Czech Academy of Sciences, v. v. i. (BC CAS)

Admission procedure of Children in Nursery school MOTÝL – Butterfly:

The Board of Director will decide about the admission of children to Nursery-school Motýl – Butterfly. The decision will be based on the list of applicants and the recommendation submitted by the nursery-school commission. The list of applicants will be created from applications delivered to the designated person on the date published on the BC CAS intranet. Applications received after this deadline will only be included in the list of applicants for the next school year in case of free capacity. The contract for the placement of a child in the nursery-school is signed for the school year that is from September 1st to August 31st of the following year.

Among other things, the Board of Director will take following criteria into account:

Mandatory criteria:

1. The age of the child: 1 year until no later than the beginning of schooling.
2. At least one parent employed at the BC CAS or at the University of South Bohemia (USB).
3. Occupation capacity of the Nursery school Motýl – Butterfly (Nursery) is 9 places of BC CAS employees and 3 places of USB employees unless another agreement between BC CAS and USB has been settled. The capacity of 3 places for the USB will be filled on the basis of the admission criteria of the USB under the condition of fulfilling the points 1 to 2.

Without meeting all these criteria, it is not possible to accept a child in the nursery-school.

Additional criteria:

4. Attendance prolongation or extension of an already admitted child.
5. Child's age.
6. Parents returning to work from the parental leave.
7. Siblings in the Nursery-school.
8. Length of attendance required.

Prof. RNDr. Libor Grubhoffer, CSc.
BC CAS Director

České Budějovice, Mai 13, 2019

The Criteria are effective from September 1, 2019 and are an integral part of the Operating rules.
